

Dear Parent/Guardian,

As you are part of a charter school family, we want to let you know that from time to time we will provide information to families regarding school choice and related advocacy matters. We hope to keep you informed on all issues affecting your child's school and their education. In partnership with the State's Charter School Alliance and other education/school choice advocacy organizations we provide you with information on the latest developments affecting education and public charter schools relevant to our school and your child.

This information may be sent to you directly or may come home with your child. Please indicate below if you do not wish to receive information regarding school choice and related advocacy matters, and have the bottom of this letter returned to school.  
Sincerely,

School Leadership Team
